

Our Impact

Over the years, the Portuguese Water Dog Foundation has achieved remarkable results thanks to the support of our generous donors.

The Foundation's recent accomplishments include:

- ◆ Approving more than \$1.2 million in funding for health research grants that benefit the Portuguese Water Dog
- ◆ Contributing to the development of a gene test for Juvenile Dilated Cardiomyopathy, as well as tests for two different forms of Progressive Retinal Atrophy
- ◆ Sponsoring important health studies on cancers, Addison's Disease, Puppy Eye Syndrome, hip dysplasia and many other critical areas of health research
- ◆ Providing breeders and owners education related to health concerns of the PWD.

Who We Are

In 1997, a community of Portuguese Water Dog (PWD) enthusiasts joined together to form the Foundation to support canine health research. The Foundation was formed for the sole purpose of supporting research to improve the health of the breed in not only breed-specific diseases but also for the various cancers and viral diseases that affect the general canine population including PWDs.

The Foundation is not affiliated with the Portuguese Water Dog Club of America, but we do share a common goal – the health of the breed. The Portuguese Water Dog Foundation is a permanent and separate entity that was established for the sole purpose of supporting health research for the benefit of the PWD.

The Portuguese Water Dog Foundation, Inc. is a 501(c)(3) nonprofit organization. All donations are tax-deductible.

Planned Giving

A planned gift, also known as a charitable legacy gift, is a donation to the Portuguese Water Dog Foundation that is arranged in advance and often involves financial and estate planning. Planned gifts are typically made during the donor's lifetime but may often take effect after the donor's death. These gifts allow you to support causes you are passionate about and leave a lasting impact.

Together we can make a difference in the health of the Portuguese Water Dog.

This information is not intended as tax, legal or financial advice. Your planned gift can take many different forms. Each gift has different benefits for you and for The Foundation.

It is important to consult with a financial professional or an attorney when making planned gifts.

A Foundation for the Future Begins with You

An Outright Gift

You can make an immediate impact with gifts such as cash, securities or real estate, which also provides you with a current tax deduction.
